**Science:** Space

**Art:** Meet the Masters

**Parent Helpers–3rd Week for everyone**

Check out the Spelling City links on Weebly to practice your spelling words.

## NEWS AND NOTES

**We have completed our 11's in Timed Tests:** Last week we took our 10's and 11's in time tests. We have many students who have passed their time tests up to the 11's. If you would like to know your student's progress, just email me. We will continue to do make-ups on Tuesday and Thursdays. On Wednesday and Fridays we will do mixed multiplication tests. The tests will still be 30 problems and students will have 1½ minutes to complete the test. If they get a hundred on the test on Wednesday then they don't have to take the test on Friday. If they don't get 100% on Wednesday, whatever score students make on Friday will be their time test score for that week. When everyone has passed up through their elevens then we will switch the mixed time tests to Tuesday and Thursday. I will let you know when this happens.

**AR Reading Goals:** Don't forget that students have until Jan. 26 to complete their AR tests. Check out [mrsgraysthirdgrade.weebly.com](http://mrsgraysthirdgrade.weebly.com) and click on the Accelerated Reader TAB. There is a button that will take you to the site to track your student's progress.

**Stargazing** Mark your calendars! Third Grade is having a Stargazing event. See attached handout for details.

**Classroom Help Needed! I need a parent to help with our centers on the 2nd and 4th Tuesdays of each month from 10:30-11:55. Let me know if you are available.**
