NEWS AND NOTES

CHARLOTTE'S WEB is finishing up this week. We will continue doing some activities related to the novel this week. The notebook that your child has been working on will be out at Open House. There will be activities for both reading and language grades. These grades will also be posted on Sycamore. This week we will begin our Orange County unit.

OPEN HOUSE IS FRIDAY FROM 6:00-8:00PM. Parents and family members will have a chance to come visit our classroom and see some of the wonderful work your children produce. We have learned so much this year, and it is their time to shine. This is a wonderful opportunity to see their progress first hand. I hope to see everyone on Friday night.

QR READER APP. Make sure you download a QR Reader APP. There are many available for any type of phone or tablet. Here is a link for an iPhone QR reader app from iTunes that I really like https://itunes.apple.com/us/app/qr-reader-for-iphone/id368494609?mt=8. Some of our projects contain digital elements and you will need a QR reader to access. If you don't have a device that has a QR reader, we have iPads in the classroom that you may use.

SUMMER BIRTHDAYS may be celebrated any day in the next three weeks. Please let me know the day your child would like to celebrate.
