Progress reports went home last weekend. If you did not receive one in an email, please let me know so we can figure out the problem.

PARENT HELPERS 1ST WEEK FOR MON-WEDNESDAY

NEWS AND NOTES

Grammar Test on Friday covering verbs in the present, past, and future and subject verb agreement in the present tense.

Multiplication Timed Tests 0-2's start on Wednesday. Students will have one and half minutes to complete 30 problems.

Reading Grades this year will be based on reading tests which are every other Wednesday and reading assignments. Consequently, your child can be a fluent reader and yet not receive an "A" on every assignment if they do not follow directions on the reading assignment. From now on in reading, students will be responsible for gaining information from the text they read and producing an accurate assignment based on the information.

ULTRA FUN RUN IS ON FRIDAY AT THE MIDDLE SCHOOL. Everyone is welcome to come and cheer on your runner. Our race starts at 11:00am. I am also running and trying to earn money for our school. If you want to sponsor me, https://ultrafunrun.com/pledge/pledge.php?mt=643664&par=187312 click on this link.

AR PROGRESS REPORTS are going home in the Tuesday folders this week. Please make sure that your child is reading and taking tests. They will be given a grade in the grade book based on the percentage of their goal met. You can log on to this link https://hosted182.renlearn.com/273805/homeconnect/ with your child's username which is their entire first and last name without any spaces for example: stacygray. Their password is the same as their Google password which starts with the first three letters of their last name (I believe they all have memorized this). The great thing about logging on is that you can set up email notifications that will notify you when your child takes a test and what score they received.
